INTRODUCTION

Define Apostle

The term apostolic refers to being called and sent by Christ with spiritual authority, character, gifts, and abilities to successfully reach and establish people in kingdom truth and order. As God sends apostles, their ministry involves preparing and sending others into God's purpose for their lives.

Apostolic Mandate

In September 2000, Apostle Alton R. Williams received God's mandate to obey this commission.

Define Apostolic People

The word *apostolic* does not refer to the apostolic denomination. Instead, it refers to those with the nature of the apostle's ministry. God sends these apostolic people to fulfill their own purpose and destiny. One characteristic of the apostolic spirit is an awareness of being sent. They are involved in carrying out the work of the apostle. If you have been sent to be a part of a church with an apostle, then you are called to participate in the work of an apostle, which makes you apostolic people. God desires to send us into our purpose and destiny, whether within or outside the church.

Defining an Apostolic Center

The Apostolic Center is a church designed to do the apostles' work. The term "center" distinguishes the church from the denomination that uses the term "apostolic church."

A center is a concentration of a particular activity. For example, a retail shopping center features stores that sell products. A medical center concentrates on medical care. An entertainment center focuses on entertainment. An industrial center concentrates on industrial products and services.

An apostolic center is still a church but with the added dimension of preparing believers to find purpose. All activities, functions, and training will equip and prepare believers for their calling and destiny.

In summary, an apostolic center equips and trains believers to find and flow in their gifts and purpose. Believers are taught to win souls, disciple converts, minister healing, deliverance, miracles, and more. We proudly present the World Overcomers Church (WOOMC) Apostolic Center!

THE APOSTOLIC CENTER IS ABOUT KINGDOM WORK

The Traditional Church

- It only focuses on gathering.
- One man does all the ministry.
- People only come to listen to a sermon.
- Only one gift (pastor) is used. Other gifts are not encouraged.
- There is good singing, and the choir entertains people.
- It is more man-centered than God-centered.
- It focuses on people's problems and troubles.
- It is more inward-focused than God-focused.
- There is no focus on God's power to transform lives.
- It is only a form of God.
- There is no care or focus on unsaved souls.
- It focuses on religious duties but not relationships with God.
- The gifts within the people lie dormant.
- It holds on to tradition and does not seek God's truth.

The New Testament Apostolic Church That Jesus Builds

- It is interested in lost, unsaved souls.
- All believers are encouraged to find and use their spiritual gifts.
- All believers are encouraged to be sent and used by God.
- It is more God-centered than man-centered.
- God's Word is exalted.
- We worship God to be conformed to the image of Christ.
- We seek to change and transform lives.
- It is more outward-focused than inward-focused.
- It focuses on equipping and not just teaching.
- It helps people hear God's voice.
- It focuses on discipleship and giving people a foundation in Christ.
- It focuses on setting people free.
- It works with teams.
- It connects new believers in community.
- It equips believers to minister in the marketplace.
- People experience miracles and encounters with God.
- It provides ministry for families.

HOW DO WE KNOW THAT APOSTLES ARE STILL FOR TODAY?

God's office of apostles continues today. Ephesians 4:11 mentions the apostle in the same verse as the pastor and the evangelist.

> ***And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;*** (Ephesians 4:11).

Therefore, if we accept the prophet, pastor, teacher, and evangelist, we must also accept the apostle because, in the same passage, God made no distinctions, saying that one would not be for today and the others would.

Then, in verse 13, He states how long we will have the five gifts (including the apostle): "till we all come into the unity of the faith and the knowledge of the Son of God." That has not happened yet, so apostles are still here today to help bring us to that level of knowledge and unity. This will continue until Christ returns.

As mentioned above, at least 19-20 men in scripture other than the 12 and Paul were called apostles. *(Romans 16:7, Galatians 1:19, Acts 4:36, Acts 14:14, Acts 13:2, 2 Corinthians 8:23, Philippians 2:25, 1 Thessalonians 1:1, 2:6, 1 Corinthians 4:6-9).* Meaning the title was not just for those 12-13 men. The mistake religion made was it deified the office of the apostle; they almost put it on the same level as God. The office of the apostle is a function that God wants to be carried out, not some title to feed men's egos and limited to a few men back in biblical times.

THE DIFFERENCE BETWEEN A CHURCH WITH A PASTORAL ANOINTING AND A CHURCH WITH AN APOSTOLIC ANOINTING

I operate as a senior pastor and teacher along with the apostolic call. Here are some differences in the pastoral/bishop/elder anointing from the apostle:

1. The **PASTORAL** role centers around the people and their needs satisfying the sheep, whereas the **APOSTLE'S** anointing gets the people centered on God's call and purposes for their lives.

2. Today's **PASTORAL** role is to love and feed the people as they gain spiritual weight. However, the **APOSTLE'S** anointing seeks to train the people to develop spiritual muscles that prepare them for their call and walk in their authority and faith.

3. Today's **PASTORAL** role performs services for the sheep and keeps them happy and maintained, whereas the **APOSTLE** challenges people to get off the pews and serve God.

4. Today's **PASTORAL** role only equips the people to meet the needs of the people in the local church, especially for the church worship services. However, the **APOSTLE** equips every believer to function effectively in Christ's ministry outside and beyond the church.

5. Today's **PASTORAL** role aims for maintenance, whereas the **APOSTLE'S** anointing seeks to mature the people to believe God for themselves and be used by Him.

6. Today's **PASTORAL** role is limited to letting people know they are saved and forgiven, whereas the **APOSTLE** emphasizes moving believers from just saints and children of God to sons of God.

7. Today's **PASTORAL** role works to meet the external needs of bringing comfort and a sense of relief to believers, whereas **APOSTLES** will stir the spirits of the people to rise to the occasion and take up their spiritual resources in Christ and destroy their yokes and the yokes of others.

8. Today's **PASTORS** usually make the people dependent on them, whereas **APOSTLES** love to lead the people to trust God and His Word, receive what belongs to them, and find their calling.

9. The **PASTORS** primarily have people doing church worship work. However, **APOSTLES** will move people in the works of Christ, such as saving the lost, discipling them, getting them healed, filled with the Holy Spirit, and delivered, setting them free, and establishing them on the truth of God's Word *(Matthew 28:18-20, Mark 16:15-20)*.

10. The **PASTORS** usually focus on the people's needs and wants first. They ask what is best for the congregation.

They may not introduce new things because they feel the people are not ready and may resist it. **APOSTLES** tend to focus on what God wants rather than what the people want. He will strive to hear from God and trust Him to work it out with the people.

11. The **PASTORS** are usually content with maintaining the status quo, nurturing, and protecting what is already there. However, the **APOSTLES** focus on expansion and progression instead of safety and protection.

12. The **PASTORS'** mindset tends to insist on everything being unified, which means everything will usually revolve around them. However, the **APOSTLES** will build decentralized teams to move as the Holy Spirit leads them.

13. PASTORS usually focus on one gift—theirs. **APOSTLES,** however, respect and see the need for all five gifts to represent the fullness of Christ.

14. PASTORS focus on training that results in passive study or preparing people to work in the church. However, **APOSTLES** flow in apostolic training that mobilizes and releases people to use their gifts to be sent out.

15. PASTORS focus on building and maintaining the local church, while **APOSTLES** concentrate on the region and the nation.

16. PASTORS focus on protecting, covering, and keeping the flock. **APOSTLES** want to release people into their destinies.

HOW YOU CAN PARTICIPATE IN THE APOSTOLIC CENTER

1. **Receive Ministry Certification.** Those who complete all required mandatory courses and electives in the Apostolic Center can qualify for ministry certification once they receive a full-time ministry call. This will give people an opportunity to teach and lead in the church. It is also based on the approval of Apostle Williams and leadership.
2. **Participate in a Ministry Team.** Apostolic center participants can serve on a ministry team if they fulfill the requirements and complete the mandatory training.
3. **Gain Knowledge**. The apostolic center is available to all who want to receive knowledge or training in a particular subject.

Requirements for Ministry Certification (Ministry License or Possible Ordination)

1. Be a member of World Overcomers Church for at least one year, sitting under the pastor's teaching.
2. Serve at least one year on a Destiny Team to prove faithfulness.
3. Demonstrate good character and integrity.
4. Live a consistent, godly lifestyle. Do not live in immorality.
5. Complete three biblical learning and equipping phases: *Foundations, Apostolic Center Mandatory Classes,* and *Electives*.

A. Foundations

1. Discipleship (Change Your Life Bible Study)
2. Level Up (Biblical Knowledge)

B. Apostolic Center Mandatory Classes

1. God's Apostolic Church
2. Pastoral Ministry (especially Personal Ministry)
3. Supernatural Ministry Training
4. Leadership Ministry Training
5. Intercessory Prayer

C. Electives (choose at least two from the list below)

1. Prophetic Ministry
2. Teaching Ministry
3. Evangelism Ministry
4. Apostolic Praise and Worship
5. Marketplace Ministry
6. Family Life Ministry
7. Financial Empowerment
8. Understanding Politics God's Way
9. Deliverance (Spiritual Freedom) Ministry

NOTE: School administrators should be conscious and considerate of those who completed previous discipleship programs (e.g., *One-on-One, Diamond Makers, Spiritual Life Coaching, growth tracks, New Members Orientation*, etc.).

NOTE: Discipleship enrollees can participate in one of four ways: one-on-one discipleship, discipleship groups, discipleship class, or online self-study.

Qualifications for Team Ministry Participants (Romans 12:2; 1 Corinthians 4:2 AMPC, 2 Corinthians 8:22; Galatians 6:4; 1 Thessalonians 5:21; 1 Timothy 3:10)

1. **Membership** – Those in team ministry should be under the church's and its leadership's authority by being members of the church. The church office should ensure that prospective team members have joined the church.
2. **Demonstrate Faithful Service in the Church in Some Capacity** – We must know that people care about serving God's house in small tasks before promoting them to greater ministry tasks. Team leaders must ensure that prospective team members have served faithfully in some capacity for at least six (6) months to a year before permitting them to join the team *(Luke 16:12)*.
3. **Completion of Discipleship Training and Establishment of a Biblical Foundation *(Level Up)*** – People must be grounded in a biblical foundation to minister effectively. If they believe erroneous doctrines about God, Christ, salvation, etc., they will pass this error on to those they teach. Please check with the office to ensure prospective team members have a biblical foundation in God's Word *(Matthew 28:19-20; 7:24-26)*.
4. **Tithing** – Tithing helps determine whether prospective team members trust God. The Bible says that where our treasure is, there we will find our hearts also. Please check with the church's finance office to see if prospective team members demonstrate some consistency in tithing *(Matthew 6:21; 2 Corinthians 8:8)*.
5. **An Experience of Spiritual Freedom (Deliverance or Encounter Weekend, etc.)** Encounter Weekend is available once a quarter. When people minister to others by praying for them and laying hands on them, a spiritual transfer occurs, either by the Holy Spirit or by demonic spirits. We must know that people are not spiritually contaminated before they are released to minister to others. Prospective team members need to be scheduled for a quarterly encounter weekend opportunity. Some people may need further ministry beyond Encounter Weekend. The Spiritual Freedom team will make that determination. WOOMC also offers a Liberation 12-Step Program and Matters of the Soul Ministry *(2 Timothy 2:19-22; Galatians 5:1)*.

6. **Training and Equipping in the Team Ministry of Their Choice** – People should be trained and equipped first in the ministry they desire to join. Once they are equipped and have completed all other qualifications, they are ready to participate in their team ministry *(Ephesians 4:11-12; 2 Timothy 3:16-17)*.

APOSTOLIC CENTER
CLASS DESCRIPTIONS

APOSTOLIC ADMINISTRATION DEPARTMENT

In 1 Corinthians 12:28, the word *governments* refers to "administration." This reveals the importance of administration to the advancement of God's kingdom.

In Acts 6:1-7, seven men did the practical tasks that allowed the apostles to devote themselves fully to what God called them to do to advance His kingdom.

Biblical administration is a ministry gift that brings order to help organize those with other gifts, keeping the church and apostolic center functioning at their most efficient. An apostolic administrator is a leader who organizes volunteers, events, people, programs, calendars, schedules, or schools for the apostolic center. Each department will assign one or more administrators to work with one lead apostolic administrator.

They appoint leadership teams, organize volunteers, and recruit those who need a little nudge to get involved. God desires for all his children to discover and develop the gifts He has given us. Administrators cause gifts to be used to glorify the Lord.

FAMILY MINISTRY DEPARTMENT

The Apostle Paul references the family throughout New Testament scripture. If our family structures are not in godly alignment, the issues that result from this misalignment will distract us from our ministry, calling, purpose, and destiny.

Family living is of great importance to apostolic ministry. Singles, couples who want to marry, married couples, parents, children, blended families, and divorced people all need ministry. Otherwise, family issues can distract from one's purpose and destiny.

Also, societal issues often contradict biblical family values: homosexuality, transgenderism, abortion, etc. These issues must be discussed. Believers must be prepared and equipped to understand the enemy's tools to destroy the family.

This department will provide ministry to:

A. Married couples to enhance their lives and bring marital healing, such as marriage retreats
B. New couples to prepare them for marriage with premarital counseling and general counseling.
C. Prepare couples to reach and minister to other couples.
D. Train people in the Apostolic Center school.

INTERCESSORY PRAYER DEPARTMENT

But we will give ourselves continually to prayer, and to the ministry of the word (Acts 6:4).

Intercessory prayer is the key to a successful apostolic center. Prayer releases the apostolic spirit. Prayer releases sent ones. Churches that want to transition into apostolic centers must have intense prayer and intercession with strong prayer warriors. The local church's prayer base must be mobilized and led into strong praying.

Demonic spirits will be assigned to hinder the work of the apostolic center. They must be neutralized. Only ongoing, consistent, targeted, and strategic prayer from trained intercessors can protect the center from attacks. The prayer ministry will be assigned to:

A. Lead the congregation into prayer before both services.
B. Lead the church into Tuesday morning glory.
C. Lead the church in Sunday or Thursday evening prayer.

MARKETPLACE MINISTRY DEPARTMENT

And he went out about the third hour, and saw others standing idle in the marketplace, (Matthew 20:3).

God is aggressively moving to reach the marketplace. Marketplace refers to areas of society beyond the church walls. Some use the "seven mountains" or the "seven spheres of influence" in society. Other than the mountain of religion where the church functions, there are six other mountains (realms or pillars) that include the following: *government (politics), business (finance, workplace), education (schools), the family (community), media and communications, and arts (entertainment).* These seven mind molders influence people's hearts and minds more than any other area. Believers can find their purpose in one of these seven (7) areas.

We must establish creative church structures in all these areas to spread God's kingdom and reach people with the gospel.

A. Start a business and become a Christian entrepreneur.

B. People can start a group with coworkers.

C. Someone can start a church or group with those in business.

D. A Christian parent can start a group with mothers who stand against issues that affect their children's education.

E. A group of Christians can start their own 501c3 to help correct a social illness such as teen pregnancy, drugs, domestic violence, etc.

F. Train young people to become godly political candidates.

G. A prayer team can do spiritual warfare to neutralize demonic powers in the workplace.

H. Some may be used to provide prophetic ministry to those who lead businesses, corporations, or government.

There are many creative ways to take the kingdom of God into the marketplace.

A. This department will train those who want to be involved in marketplace ministry.

B. Help establish groups in the workplace.

PASTORAL DEPARTMENT

The Pastoral Department will provide training and equipping for those who sense a call into the pastorate, who will care for the flock of God. Every believer should be mentored or pastored once they receive Christ. Jesus was called the Good Shepherd (pastor)*(John 10:11)*. Pastors are responsible for leading and protecting the people of God *(See Psalm 78:71)*. They care for and nurture new believers.

In the early church, believers fellowshipped in their homes or the marketplaces, where pastoring and evangelism occurred. Small groups of believers met in houses, which were the central locations for pastoral ministry.

This department will focus on training and positioning others who can nurture and care for others. They will also:

A. Assist the discipleship department by encouraging people to be discipled (*Change Your Life Discipleship Bible Study*).
B. Help identify those with pastoral gifts.

Class Topics

1. What is the Pastoral Anointing and Its Duties?

POLITICS AND GOVERNMENT DEPARTMENT
Understanding Politics God's Way

We are familiar with the political parties and ideologies of the Republican/Conservative/Right and the Democratic/Liberal/Left. How does God view today's political and social issues? How does God's Word regard today's political platforms? The class *Understanding Politics God's Way* will compare what the Word says to the platforms of both parties. The Politics and Government Department trains individuals who want biblical knowledge about today's political issues and those who may aspire to run for political office from a conservative perspective and platform.

- ***The Bible Worldview Institute*** – These short videos by the Prager University Foundation (PragerU) explain today's political and social issues from a conservative perspective. Quizzes accompany each video. Students will view and study at least four PragerU videos on their own each week until they complete all 31 videos. This process may take up to eight weeks to finish.
- ***College of Conservative Worldview*** – This lecture class offers a historical perspective of America's original intent, as given by our founding forefathers. It is designed to promote a biblical understanding of today's politics through Judeo-Christian, conservative values. The goal is to help preserve God's politics with today's generation and beyond.

SPIRITUAL FREEDOM (DELIVERANCE) DEPARTMENT

This department equips believers to minister spiritual freedom and deliverance to others. Jesus gave his 12 disciples power over unclean spirits to cast them out. He also called all believers to do the same. He said that these signs would follow those who believe. In His name, we can cast out demons.

Deliverance ministry is critical in the end-time because people are touching and involving themselves in ungodly lifestyles, which opens the door to unclean spirits in their lives. We cannot fully obey God and walk in our purpose if we are bound and oppressed by evil spirits. God's purposes and plans will be hindered if evil, unclean spirits are not exposed and cast out. The more deliverance we receive, the freer we will walk in the Spirit and obey the Word. When spirits are cast out, it breaks the enemy's power in our lives and creates an environment of freedom in our churches.

In the apostolic center, miracles occur, and the Lord moves and shows His power. This is how the church was born in the book of Acts. God intended it to be the same today *(see Acts 2:22, 43)*. Signs and wonders follow sent ones and attract people *(Acts 5:16)*. They testify to God's Word *(Acts 14:3)*.
