CONFESSION TO COME OUT OF HOMOSEXUALITY/LESBIANISM

Father God, I have made the decision to come out of the lifestyle that I know is an abomination in Your sight.

I repent for allowing the devil to convince me to choose this lifestyle over one that is holy and acceptable to you. I repent for allowing the wicked desires of my flesh to have rule over me. I renounce every soul tie of every person that I have lain with. I renounce the perversity of eh lifestyle. I declare that I hate it, because I cannot be delivered from what I love. I love the people who are bound in homosexuality, but I hate the lifestyle. It is an abomination before the Lord.

I renounce the witchcraft that comes with homosexuality/lesbianism. That which I participated in knowingly, or that unknowingly that would tie me to the demonic supernatural is under my feet. Father, deliver me from the shame and the hurt that come along with that lifestyle. Though my flesh experienced demonic pleasure, my soul was always in turmoil. I openly announce that I do not want to live a lifestyle of lies anymore. My submission to homosexuality/lesbianism made the statement that God did not know what He was doing when He created me. I was created to be a man/woman. I was beautifully and wonderfully made in the image of God. God is not the author of confusion.

I shut my ear gates to the lies of the enemy that say I was born gay and can never be delivered. I declare, "once gay not always gay"! Whom the son makes free is free indeed. I am delivered. I even shut my eyes to seducing spirits that attempt to attract me to the opposite sex. *I love God more!* The perversities that I once enjoyed and allowed free passage into my mind exist no more. Lord, I repent for going against the natural order of things. I declare the truth of Romans 1, which says that homosexuality/lesbianism is unnatural. I cast down every imagination of this lifestyle that tries to exalt itself over the knowledge of God.

Father, I thank You for changing my mind-set, my atmosphere, and my associations. I do not want my sacrifices to be an abomination to You. I no longer conform to and subject myself under the words and authority of the homosexual agenda. I have chosen to "come out from among them" and to join the household of faith. I repent for all the people I have recruited to join this army of darkness. I repent for all the souls that I have led down the wrong path for the sake of fleshly enjoyment. I turn my back on the devil! I choose to walk no longer down the wide path but to keep my steps on the straight and narrow path. I understand that Your Son, Jesus, took on all my sins of homosexuality/lesbianism on the cross and I am redeemed. I repent for every time I committed this sin and crucified Him afresh.

Lord, I renounce everything from the Internet, every book, all movies, social gatherings, or other things I participated in that seeded my soul. I renounce gay pride and

every sign and symbol of the lifestyle. I come against the vision of the rainbow that represented a covenant between the devil and me. I even break the power of the words that I spoke in secret to cage the souls of innocent people and to pull them into the lifestyle. I renounce the language that I spoke pertaining to this lifestyle. I repent for looking at the same-gender sex in a way that is not agreeable to You. I repent for lusting after the same sex, fantasizing about the same sex, and engaging in any behavior with the same sex that is considered an abomination in Your sight.

Lord, I repent for setting my affections on things of this earth instead of things above. I repent for putting creation before My Creator. I plead the blood of Jesus over my mind, and thank You for not allowing me to be turned over to reprobation. I want to be fully delivered and my mind renewed. I know it is a process. Take me from level to level and glory to glory. I already have the victory. Lord, allow me to become an advocate to cry out loudly against the homosexual agenda and its plans so that other men and women can be free indeed.

I renounce the doorkeeper of homosexuality/lesbianism (incubus and succubus) right now, in Jesus' name. My body is covered with the blood of Jesus, and I shall not be seduced by demons in my sleep life.

I enounce masturbation and break all familiar spirits and generational curses. My sins shall not affect my generations. The curse is broken, and the blessings are going forward for a thousand generations. I pray four hundred years back through my ancestral line. My lineage is blessed and free from perversion.

I declare that my body is the temple of the living God. I cast down every homosexuality/lesbianism desire of my heart. I know that Jeremiah 17:9 says, "The heart is deceitful above all things," and I do not trust my heart---I trust Jesus!

I renounce all agreement with gay marriages, civil unions, and domestic partnerships. I renounce and bind the spirits of confusion, rejection, the sodomite spirit, the spirit of loneliness, depression, suicide, oppression, and tormenting spirits. I bind the spirit of Leviathan that would give me the false boldness and confidence that I once had while living this lifestyle. I declare Psalms 139:14: "I will praise thee, for I am fearfully and wonderfully made; marvelous are thy works; and that my soul knoweth right well.

God knew what He was doing when He created me! I do not believe that I am a mistake or that I was born the wrong sex. All old things are passed away; I am a new creature in Jesus' name.

Amen
