WOOMC APOSTOLIC CENTER PRACTICUM

Define Practicum

A practicum is an opportunity to practice what we have learned. We get to observe, participate, and document what has been studied.

Area of Study – The Believer's Ministry

> ***15 And he said unto them, Go ye into all the world, and PREACH THE GOSPEL to every creature…17 And these signs shall follow them that believe; In my name shall they CAST OUT DEVILS; they shall SPEAK WITH NEW TONGUES; 18 … THEY SHALL LAY HANDS ON THE SICK, AND THEY SHALL RECOVER*** (Mark 16:15, 17-18 KJV).

> ***Go therefore and MAKE DISCIPLES of all the nations [help the people to learn of Me, believe in Me, and obey My words], baptizing them in the name of the Father and of the Son and of the Holy Spirit*** (Matthew 28:19 AMP).

The above verses summarize the believer's ministry that Jesus assigns to all believers. Believers are called to do five basic ministries:

- **Salvation** – Get people born again or saved.
- **Healing** – Lay hands on the sick for healing.
- **Casting Out Demons** – Do deliverance or minister spiritual freedom to those who need it.
- **Baptism with the Holy Spirit** – Get people filled with the Holy Spirit with the evidence of speaking in tongues.
- **Discipleship** – Jesus calls all believers to make disciples.

We Must Experience Ministering in All Five Areas

It is not enough to understand or know about these five areas of ministry. We must actively minister to all of them. This personal experience will deepen our understanding and commitment to our calling as believers. Each believer is assigned to accomplish ministering all five of the above areas using the following options:

1. Find one person outside of family, close relatives, or friends you can minister to in these areas. We are primarily seeking to minister to the unsaved and unchurched people.
2. Or find several people to minister to. For example, you may minister salvation to one person, but they do not need healing. Feel free to find someone else who may need healing. You may minister to up to five individuals or find one person who needs them all.

Provide Written Documentation

All five areas must be accomplished before turning in your practicum. This means we do not want you just to try to minister salvation to someone, and they do not receive Christ. We want you to experience someone receiving Christ as Lord and Savior. Keep searching and keep going until you encounter someone accepting Christ. Do the same for the other four areas. Write about your ministering experiences in all five areas on the sheets. Include dates and times also. Try to minister to up to three people if they do not receive any invitations. Write about all three experiences. Yet, you can continue ministering to people until you see results in all five areas.

The Honor System

We will operate by the honor system. We will honor whatever you document as truth. We will trust what you say. Remember that God Himself knows the truth and sees all. If you want to be used by God, you must ensure your ministry is not built on a lie. We are called to be vessels of honor *(2 Timothy 2:19-21).*

SIGN-TIST Certificate

Once all five areas are completed, documented, and turned in, you will receive your WOOMC Apostolic Center SIGN-TIST Ministry Certificate, which states that you can now minister in any of the five areas with approval from the church. **Note: This is not a ministry license or ordination certificate for full-time ministry.**

Deadlines and Graduation

There are no immediate deadlines. You will have until Tuesday, December 31, 2024, to accomplish all five areas. Once you complete all areas and submit your documentation, you qualify to participate in the graduation ceremony and receive your SIGN-TIST certificate in January 2025.

You Must Minister to New People

Your practicum must be based only on new people you have never ministered to before. For example, if you ministered salvation to someone five years ago, shared the baptism of the Holy Spirit with someone else a year ago, and/or discipled or did spiritual life coaching with someone two or three years ago, these people do not qualify for your practicum experiences. The people you select begin with the date I first mentioned the practicum assignment, which was Wednesday, March 20, 2024, up to the present.

Discipleship

You must complete at least one lesson from the Spiritual Life Coaching discipleship manual to fulfill the practicum requirement. If your mentee wants to finish the entire spiritual life coaching process, I encourage you to complete the manual. However, you only need one lesson to qualify for the SIGN-TIST Certificate.
