WOOMC 2025 FAMILY PRAYER AGENDA *(30-60 Minutes)*

DIRECTIONS: Connect with your family at midnight on Wednesday, January 1, 2025, to bring in 2025 with the Lord in prayer. *Optional:* Feel free to use the accommodating scriptures to pray if you desire. This is not mandatory.

1. Praise and thank God for about 5-10 minutes *(Psalm 100:4-5)*.

2. Plead the blood of Jesus over every family member *(Revelation 12:11)*.

3. Repent to the Lord and ask His forgiveness for any present or unconfessed sin in 2024 *(1 John 1:9)*.

4. Pray for God's protection from all hurt, harm, and danger in 2025. Pray Psalm 91 and include your family members' names. Pray that there are no tragedies, accidents, or early deaths *(Psalm 91)*.

5. Pray for God's protection and blessing over your home.

6. Ask God for wisdom, guidance, and direction for all family members for 2025 *(James 1:5)*.

7. Speak the fear of the Lord over every family member *(Psalm 111:10)*.

8. Take authority over Satan. Wherever you sense evil or attacks against you or your family members, bind the devil and command him to release them in Jesus' name *(Revelation 12:11; Luke 10:19)*. Pray for all your children to be delivered if they need it *(Proverbs 11:21)*.

9. Pray that your family walks in God's love. Pray that there is no strife, bitterness, offense, or unforgiveness within the family. Reconcile or forgive any family member who has hurt you *(Ephesians 5:2; Colossians 3:13; Hebrews 12:15)*.

10. Speak God's peace over your home *(Philippians 4:7)*.

11. Petition God and make your request known to Him for your various needs for 2025: job, marriage, finances, peace, home, car, etc. Each family member should ask God for what they need this year. Parents or the family prayer leader should lift those prayer needs up for all family members before the Lord *(Philippians 4:19; Philippians 4:6)*.

12. Commission and release God's angels to protect each family member, encamp a fence around them and their homes, and ask them to go and do battle against all Satan's plans against each family member *(Hebrews 1:13-14)*.

13. Speak God's blessing over each family member. *"God, we bless each family member (call each person's name). We call them blessed in their relationships, schoolwork, jobs, finances, health, and physical bodies. We speak God's favor over this family in every way in Jesus' name" (Psalm 24:5; Proverbs 10:22)*.

14. Pray about any other concerns regarding your family. You can also intercede for other family members who are not present *(Hebrews 7:25)*.

15. Pray for God's church, the pastor, his family, and church leadership. Pray against witchcraft attacks against the church. Pray for the success of the apostolic center.

16. Say an ending prayer in about 5 minutes.

A. Give God praise and thanks.

B. Thank Him that everything prayed for according to His Word will be answered *(Psalm 100:4)*.

C. Pray in the Spirit (tongues) if you know how. If not, finish by thanking God. Feel free to stop when you sense there is nothing else to pray *(Ephesians 6:18; 1 Corinthians 14:15)*.

D. Ask the Lord to fill each family member with the Holy Spirit *(Luke 11:13)*.
