Some of God’s greatest men committed the greatest sins. Once they believed in God or received Christ, they became some of the world’s greatest servants. Noah was a drunkard, Abraham lied, Jacob was a trickster, Moses was a murderer, David committed adultery, Solomon slept with many women, Samson laid down with the wrong woman, Peter denied Jesus three times and Paul killed Christians. If God can use them, then He can and will use you. Once you receive Jesus Christ as Lord and Savior and repent of your sins, then you are ready to be used by God.
