FREEDOM

John 8:36

Prayer: Thank You, Heavenly Father, for the United States of America, and for the freedoms, liberties, and rights we enjoy as citizens of this blessed country. Help the people of our nation to cherish these freedoms and never to take them lightly.

I thank You for the freedoms of religion, press, assembly, speech, the right to bear arms, and all the other rights and liberties I enjoy as a citizen of this great country. May the people of America never abuse any of these rights and privileges of citizenship, and help each of us, Father, to always do our part to keep our country good and strong. Lead us in paths of righteousness for Your name's sake. Righteousness exalts a nation. Without righteousness, there is no freedom, so we decree righteousness over America.

When You give freedom to Your children, we are set free indeed through Jesus Christ.

Let Your mercy be upon America, O Lord, according as we hope in You. Stay Your hand of judgment from our land, Lord, for there are still many righteous citizens who are faithful to You, and there are still many lost that are to be saved.

You said that blessed is the nation who makes You their God. Hear the prayers of Your people, and bring revival to our land.

Impart Your blessing to this generation, and to all generations yet to come. Heavenly Father, I ask You to bless the latter days of America even more than the former days.

PRAYER AGAINST MARXISM, COMMUNISM, AND SOCIALISM

Heavenly Father, we decree and declare that America will not become a socialist/communist nation. We reject the philosophy of Marxism that seeks the destruction of American society and all of our freedoms. We denounce its atheistic beliefs. We decree that we are still one nation under God. Government will not rule America. We will not put our trust in government.

We decree that private property rights will not be abolished because God, You reward us with houses and land. We will seek first Your kingdom and all Your righteousness, and You have promised that all material things we need will be added to us. We will not be involved in class warfare, nor will we fight against the rich because of their wealth, because You give Your people the power to get wealth. America is blessed because we make Jesus the Lord of our nation.

This nation made a covenant with You, Lord, in the very beginning and in its origins. Therefore, Lord, protect our nation from the dangers of socialism in all its forms. Open the eyes of our young people who have been led astray by the false promises of socialism and communism. We take authority over the god of this world who has blinded their minds. May they come to receive Jesus as Lord, in Jesus' name.

THE PRESIDENT

1 Timothy 2:1-2

Dear Father, in Jesus' name I lift up our president to You. I know that his heart is in Your hand, so I ask You to guide the head of our nation in the way You would have him to go.

You told us to pray for all who are in authority, that we may have a quiet and peaceable life in all godliness and honesty. I decree that America is a quiet and peaceable nation.

Father, I pray that You would surround our president with wise counsel – men and women of integrity who place Your agenda and the good of this nation above their own and whose motives are for that which is right.

I pray that You would give our president discernment, understanding, and knowledge so that our nation may know stability internally and abroad. Give him words that are seasoned with grace that do not offend.

I give thanks for our president according to Your Word and thank You for working in and through his leadership so that we might lead peaceable lives in godliness and honesty. I plead the blood of Jesus over him, and I encamp the angels of the Lord around him.

We pray that God stops the overthrow of this nation and Christianity by BLM.

We pray that God brings the spirit of peace to BLM.

VIOLENCE IN AMERICA

Luke 3:14

God, Your Word says that You are against violence being done to any man. We pray that the violence will cease in our land.

We pray that God hastens the day when violence will no longer be heard in our nation and its cities because of racism. We pray that those who have been wronged by violence will be avenged by You, Oh Lord. We pray that those who turn to violence and practice it remember that it is a fearful thing to fall into God's hands.

We pray that God will not allow the wicked to triumph. We pray that America and the whole earth will be filled with God's glory.

THE ECONOMY

2 Corinthians 9:8

God, our nation has handled its finances sinfully through foolish government spending and funding ungodly programs and ventures.

We have sinned. Have mercy upon America's economy. Turn our hearts unto You.

Bless our nation with financial prosperity and a sound economy. Protect our economy so that Your nation can flourish and Your gospel covenant can be established throughout America.

Give our leaders and all who are in authority godly wisdom, courage, and character to make the right decisions on behalf of America. Remove those elected officials who refuse to lead in righteousness.

May the finances of our country be administered wisely and fairly, for our taxes to be as low as possible, that wasteful and foolish spending be stopped.

Prosper businesses in America that have been impacted by COVID-19. Reopen businesses consistent with Your will and Your Word. May they all pay their employees well with plenty of money left over. We decree that America is blessed because we have made Jesus Lord.

REPENT FOR AMERICA

2 Chronicles 7:14

Almighty God, we thank and praise You for Your unending mercy and grace poured out upon our nation. You have delivered us in times of war, reunited us after conflicts among ourselves, and filled our lives with such abundance that Your blessings overflow our borders.

Yet still, we take You for granted. We come before You now in desperate need of Your forgiveness. We confess that the liberty You so graciously gave us has become a license to do as we please. Our culture mocks You. Our highest courts are esteemed above Your Word. We have traded genuine spirituality for temporary pleasure and true virtue for hollow celebrity. We teach our children self-indulgence, yet stand mystified at the blood on their hands. We lust after material things, yet wonder why our souls are empty. We lament the walls that divide us, even as we segregate ourselves from one another.

God, I stand in the gap for America. Spare our land from its coming judgment. Do not let America be destroyed. Our Founding Fathers made a covenant with You on behalf of America. Lord, we ask that You remember Your covenant with this nation.

Revive us, O Lord. Your presence is our only hope. Impart to us Your passion for good over evil. As we humble ourselves and seek Your face, forgive us O God, and heal us. Heal our land of the coronavirus and every other physical and social ill. Make us one, that America would be the land You envisioned from the beginning...a beacon of hope for the world, a people free to serve You and each other in genuine love. In the name of the God of Abraham, Isaac and Jacob—in the name of Jesus we pray. Amen.

LAW ENFORCEMENT

Romans 13:1-5

Heavenly Father, You have established law enforcement, for You call them Your servants. Thank You that we live in a nation governed by the rule of law.

We pray Your protection over all who are involved in our nation's law enforcement. Prosper their endeavors. Give them wisdom in crime prevention. Bring persons of integrity and dedication to the police force. Remove those who have evil intentions of racism, corruption, and dishonesty. May they work to deescalate every criminal threat before using force.

Cause those good officers who have left the force to return with a renewed heart to protect the public. Dispatch Your angels around them, O God, and keep them in all their ways, in Jesus' name.

PRAYER FOR OUR NATION: THE MILITARY

Thank You, Lord, for the men and women of our armed forces. Protect them as they protect us. Defend them as they defend us. Encourage and strengthen their spirit, soul, and body in the execution of their duties and responsibilities. May they be mentally and physically strong when required to face the challenges of combat. Undergird them with Your spirit and might when they are called upon to endure the hardships of battle.

We pray that nothing would take them by surprise, but that they would be aware of all potential aggression. Enable them to curtail hostile actions before they start.

Reveal to military leaders the strategies and plots that enemies would wage. Give leaders wisdom and insight in all decisions. May response to any aggression by enemies of this nation be swift, accurate, and effective.

Father, give our military favor with the governmental agencies of this country. I pray that our Congress would appropriate sufficient funds to keep our nation's military preeminent in the world.

Lord, we decree Your presence, Your blood, Your power, and Your angels around all of our military, to keep us safe from all threats from outside our nation.

Thank You, Lord, for providing America with the best trained, equipped, and lead military force in the world today. Fill them with Your saving grace and the gospel of peace that they may be shining witnesses of Your love.

THE MEDIA

Proverbs 14:34

Lord, let there be a righteous revival in the news media. We pray that God raises up righteous personnel, that purity and righteousness infiltrate the media. We pray that God raises up godly news anchors and news management who will seek to give people truth.

We pray for more positive and uplifting stories. We pray for programming that is true, honest, just, pure, lovely, and of good report. We pray that free speech and religious freedom are always promoted in the media.

We pray against the presence of an antichrist agenda in the national mainstream media. We pray for God's light and truth to dismantle the spirit of manipulation, control, and blindness. We pray that media outlets that deceive and lie to the public are exposed. We pray to dismantle lying, gossiping, and slandering spirits sent to pervert the truth.

We pray that God will send godly, wealthy people with financial resources to buy these news outlets and bring in godly producers, directors, anchors, and reporters. In Jesus' name.

NATIONAL REVIVAL

Psalm 85:6

Father, in the name of Jesus, we pray for the great sleeping giant, the church, who even now has begun to shake herself from her sleep. We pray she would awake to righteousness and holiness in every denomination, in every body of believers, and slumber no longer.

We pray that we would begin to unify under the blood-stained banner of the Cross and preach the gospel of the kingdom clearly and boldly in every highway and byway of our nation.

We pray that we will not only stand up and speak up but that we will begin to reap a great harvest in our nation, bringing multitudes to the saving knowledge of Jesus Christ.

May the revival of the saints be so all-encompassing that it affects the spiritual complexion of our entire nation and influences our politics, our economy, our media, and our entire society. In Jesus' name.

SCHOOLS AND EDUCATIONAL SYSTEMS

Deuteronomy 6:7

Heavenly Father, we ask You to raise up godly teachers and educators who have a heart for the children. May they receive Your godly wisdom to become examples to their students. Restore a standard of excellence to our schools.

We decree the release of demonic control over our teachers posed by the teacher labor unions. May they prioritize the students and their learning. May failing or underperforming schools rise from mediocrity to educational excellence.

We pray for parents to have school choice to be able to send their children to the best schools.

Cause our educational system to be preeminent in the world. Let discipline and respect for authority be restored from our children in our schools. In Jesus' name.

BUSINESSES AND CORPORATIONS

Proverbs 12:24

Heavenly Father, may the corporate business community support Christian endeavors. May they turn from their investment in ungodly agendas. Lord, cause every business consistent with godly values that was closed during COVID or hurt during the riots to reopen and flourish. May every job that was lost be restored. In Jesus' name.

GLOBALISM AND THE NEW WORLD ORDER

John 3:16

Heavenly Father, may the world develop a biblical worldview of the gospel. May the world come to know how much You loved the world and gave Your only begotten Son, that whosoever believeth in Him shall not perish but have everlasting life. May America come to respect its own national sovereignty and God-given rights in the U.S. and abroad.

We reject the idea of globalism that will threaten our freedoms and values, especially our freedom to worship You, God. We take authority over the evil spirits behind the scenes driving us to this one-world order. We recognize that it is an attack against Judeo-Christian values because they make government through man, to become their god. We decree that Jesus is Lord over America. We stand fast in the liberty whereby Christ has made us free. In Jesus' name.

PROTECTION DURING THE EVIL DAYS TO COME

Psalms 91

Father, as we dwell in Your secret place of prayer and worship, we are able to abide under Your shadow, Oh Lord.

You told us that if Your people, who are called by Your name, would humble themselves, pray, seek Your face, and turn from their wicked ways, then we would hear from heaven and You would heal our land. We repent, Lord. Heal America of its sins and rebellion against You.

Turn from your judgment against America. We declare that You alone are our refuge, our place of safety. You are our God, and we trust in You. We thank You that Your blood will keep, surround, cover, and protect us in the coming days. May Your angels be encamped around us to protect us wherever we go.

We will not be afraid of the terrors, bullets, the dreaded diseases, and disasters that may come. Though thousands fall or die around me, these evils will not touch me. No evil will conquer us or our families. No plague will come near our homes.

Regardless of the shaking that may come in the coming days, we will not fear because You will rescue those who love You. You will protect those who trust in Your name. You will be with us in trouble or whenever we call on Your name. Whatever storms may come, as Your covenant righteous people, we will abide in the eye of the storm where there is peace, shelter, and calm. You told us to see to it that we not let any of these things trouble us. We shall not be moved. Thank You, Lord, for Your protection in these end time days, in Jesus' name.

GENERAL PRAYER FOR AMERICA

2 Chronicles 7:14

Heavenly Father, You said in Your Word that if Your people who are called by Your name would humble themselves and pray, seek your face, and turn from our wicked ways, then we would hear from heaven, and You would forgive our sin and heal our land.

America needs healing, oh Lord. We repent of our nation's sins and the sins of our ancestors. Forgive our nation from turning away from You. You are our only hope, Lord. We stand in the gap for our nation, and we resist the work of the enemy to destroy our homeland.

May this land always remain a free nation, a land of liberty that offers us inalienable rights from You, God our creator. For whom the Son sets free is free indeed. God, we put You in remembrance of America's covenant with You. May the blood of Jesus cover this nation.

We lift up all who are in authority at every governmental level in America: federal, state, and local. May they keep America in peace and quiet in all godliness and honesty. May they all walk in godly wisdom. I decree angelic presence around all in authority.

We take authority and dismantle every spirit operating behind the coronavirus. We command the spirits of fear, panic, lying, deception, confusion, control, chaos, isolation, division, and infirmity to leave our nation now, in the name of Jesus.

We decree that the agenda of Black Lives Matter will not be established in this nation. We renounce anarchy and lawlessness, attacks against law enforcement and immorality, that God will establish His righteousness in Black Lives Matter.

May God hasten the day when violence will no longer be heard in our nation and cities because of racism. We pray that Your people be as one in America and that the spirits of bigotry and hatred be dismantled and come to naught. We pray that the plans of the wicked will not triumph in our nation.

I decree the blood of Jesus over all our law enforcement because You call them Your servants. Give them wisdom in crime prevention. Bring persons of integrity to the force. Repel and remove those who have evil intentions of racism, corruption, and dishonesty.

I decree righteousness in our media. I pray against the antichrist agenda in the news media. Lord, raise up godly, unbiased, righteous personnel in all aspects of the news media. We obliterate in the Spirit all spirits of lying, deception, slander, and corruption. Send wealthy believers with financial resources to buy these outlets.

I decree godly teachers and educators who have a heart for the children they serve. Restore excellence to our schools. Destroy the demonic control over our school system. Give parents the rights to have school choice and what is best for their children.

May the corporate business world turn from any and all ungodly agendas and give support to Christian endeavors. I decree that they will not be involved in cancelling Christians and those with godly values.

We reject globalism or one-world government in all its forms, that America will keep its national sovereignty and freedoms. I decree that America will stand fast in the liberty given to us by Christ Jesus.

God, we pray that You will change Your mind regarding impending judgment against America. As our nation goes through its time of shaking, we will not be moved by fear. We will not be troubled by these things. Our trust is in You and Your will for our nation. You said that You will protect the righteous who trust in You.

Bring revival to Your church, Oh Lord. Revive us again! Awaken Your people to righteousness. Release the fire of God upon us, that we may be purified of every sin, evil spirit, or uncleanness in our lives. May Your people advance the gospel around the world, that a great harvest will come in. Oh Lord, may it affect our entire nation and influence every sphere of society. In Jesus' name.
