

## A BREAKTHROUGH PRAYER FOR A WOMAN WHO HAS HAD A HYSTERECTOMY

Healing Promise: “Now thanks be to God who always leads us in triumph in Christ, and through use diffuses the fragrance of His knowledge in every place” (2 Corinthians 2:14 NKJV).

Healing Prayer: Dear Father, thank you for your Word, which is such a treasure chest of golden truths and promises for me to apply to my situation. I do so now, as I ask you to heal me, emotionally and physically, from this hysterectomy. Your Word assures me that I shall not want any good thing, and that you will always lead me to triumph in Christ. Thank you, Father.

I will never forget your precepts, for they are reviving me and giving me greater health. Send your Word, mighty God, and heal me completely. O keep my soul, and deliver me. Let me not be ashamed, for I put my trust in you. Let your lovely peace—a peace which surpasses all understanding—keep my heart and mind through Christ Jesus.

Father, how I thank you for your truth that you are my refuge and strength—a very present help in trouble. Thank you for being my God—a Father I can completely depend upon. Look upon my affliction and my pain, and forgive me of all my sins. Fill me with the Holy Spirit. The power of the indwelling Holy Spirit imparts life and strength to me. Thank you, Father, for your great love, and for healing me of all effects of the hysterectomy.

I will praise you, O Lord God, because you have lifted me up. O Lord my God, I cried out to you and you healed me. O Father, you have brought my soul up from the grave, and you have kept me alive. I thank you, mighty God that you have turned my mourning into dancing for me. You have removed my sackcloth and have girded me with gladness to the end that my glory may sing praises unto you, and will never again be silent. O Lord my God, I will give thanks to you forever. In Jesus’ wonderful name I pray, Amen.
