

## PRAYER FOR ANOINTING WITH OIL

Heavenly Father, I thank You for giving us the privilege to use oil and anoint as a symbol of Your Holy Spirit. I pray over this bottle of oil now, and I sanctify it unto the Lord.

Lord, by faith, I believe Your Spirit is present and packaged in this bottle of oil. It is like Your power in my hand in a tangible form. This oil and Your Spirit helps to free me from all satanic afflictions and destroys every yoke and discomforts of life. Therefore, as I apply this oil to \_\_\_\_\_, I invoke the Holy Spirit to intervene on \_\_\_\_\_ behalf.

This oil swallows up sickness, disease, and anything from the kingdom of darkness. It gives me immunity against any and all forms of evil in my life. They cannot escape the power of the anointed oil through the Holy Spirit.

I reverse all family, generational, and ancestral curses that exist, because Christ has redeemed me from the curse. This oil by the Holy Ghost ends all frustrations in my life. This oil causes me to be immune to any accidents, tragedies, violence, or crime. I decree no robber or devil can step into my house. You are off limits being on my property.

I set all objects, materials, and furnishings apart and consecrate them for God's use with this anointed oil. They are now cleansed from all worldly, demonic, and satanic contamination.

I consecrate the grounds and every room of my home. My house is set apart unto God. Any contamination that existed before this time is now gone. I speak the peace of God over my home. (*Use oil to touch the doorways, objects, furnishings, or grounds*). I now call my home blessed and consecrated unto the Lord.

I anoint every member of my family. I call them set apart, consecrated unto You, Lord, and protected from all hurt, harm, or danger.

Therefore, Satan, you are no longer welcome, and you no longer have any place here, because this house is now flooded with the peace of God, in Jesus' name.

### ***Anointing With Oil Prayer for Homes, Buildings, Offices, Workplaces, and Things***

Heavenly Father, You have given us the right to anoint with oil to consecrate people, places, or things unto You. As I use this oil, I consecrate \_\_\_\_\_. I consecrate those who have raised an evil altar of witchcraft against me, my family, home, and automobile. This anointing oil represents the presence of the Holy Spirit. I decree that, that which I have consecrated unto God can never again be used for evil. Anything of the kingdom of darkness planted in my house or on my land loses its power. I decree that the Spirit of Truth exposes every lie, every witch, and every evil altar working against me. Holy Spirit, we consecrate this place unto you. Let Your presence reign and rule in this place. I also plead the blood of Jesus over \_\_\_\_\_.
