

CIRCULATORY PROBLEMS

A Healing Prayer for Someone Who Is Experiencing Circulatory Problems (including high/low blood pressure, hardening of the arteries, blocked arteries, clotting, embolisms, etc.)

Healing Promise: *“He hears the cry of the afflicted: (Job 34:28, NKJV)*

Healing Prayer: Father God, I truly believe you are hearing my prayer for healing from the circulatory problem I’ve been experiencing, and I thank you for hearing and answering my prayer. I love you, Father, and I know you will help me to rise above this illness. I thank you for your promise to heal me, and to deliver me. I believe you will satisfy me with total health and long life. Thank you, Lord God.

Thank you for being near to me as I call upon you in truth. It thrills me to now that you are fulfilling my desire for healing even as I pray, and that you will always hear my cry. Thank you, Father. As I call to you, I ask you to show me great and mighty things which I do not know. Teach me your ways, so that I will always be certain to walk in your paths.

From this point forward, Father, I will refuse to be anxious or worried about the circulatory problem that has afflicted me, but through prayer, with thanksgiving, I will make my requests known to you. Even as I do so now, I am experiencing your wonderful peace, which surpasses all understanding. Let it continue to guard my heart and mind through Christ Jesus, I pray. Thank you for your peace, Father, and for healing me of the circulatory problem I had been experiencing.

Thank you for your wonderful love, dear God. I believe your Word which tells me that eye has not seen, nor ear heard the things you have in store for me because I love you. Thank you for the glorious promises of your Word through which I am able to partake of your nature, having escaped the corruption that is in the world through lust.

You Word tells me that “life is in the blood,” Father. In the name of Jesus I pray for my circulatory system to function in perfect health, to be clear, clean and filled with your life, and to be free from all destruction, so that my body which is your temple, may truly glorify you, Father.

Thank you, Lord God, for enabling me to escape the corruption of all circulatory disorders, and I ask you to keep me completely free from them from this time forth. In Jesus’ name I pray, Amen.

In Jesus’ name I pray, Amen.
