

PRAYER FOR DELIVERANCE FROM THE BASTARD CURSE

Father, we come in the name of Jesus. I bring every sin of our forefathers for 400 years up to you. I ask you to forgive this sin of bearing illegitimate children that is in my family line for 400 years. I ask You to forgive this sin that has displeased You, or if there has been anyone who has hated You and are bearing this iniquity, I ask You to forgive them also.

I know, Lord, that Your Word says that we bear the sins and the iniquities of our forefathers, and even though I am not illegitimate and have not committed sexual sins (or if you are), I ask You to cleanse my bloodline and anything that I have inherited from my forefathers.

I ask You, Jesus, to come with Your precious blood, with Your mighty hand, and cleanse. Lord, clean out all the old debris in me that I know nothing about, and everything that hinders my growth as a Christian.

Lord, let Your precious anointing come upon me. Heal and cleanse by Your precious blood, by Your stripes that You bore. Lord, I claim healing. Because You hung on a tree and were made a curse, I don't have to bear this curse. Galatians 3:13 states, "***Christ hath redeemed us from the curse of the law, being made a curse for us; for it is written, Cursed is every one that hangeth on a tree.***"

Lord, for all of my feeling of rejection, not being able to love people, not being able to really "enter in" and worship with a congregation, not even feeling at home in my church, I ask for Your help. I ask that this curse be lifted off of me.

Lord, I hate this enemy that works with this curse, making me feel like taking my life, making me feel rejected all the time, causing this sick feeling in my stomach.

Lord, by the authority You have given me, I put pressure on that enemy by Your mighty hand, by the name of Jesus, by Your Word, and by Your blood. I put pressure upon these evil powers and claim my deliverance, in the name of Jesus!

Lord, Your Word says that whoever calls on the name of the Lord will be delivered. Lord, I call on You now. Deliver us from those spirits connected with the curse of the bastard. I come against: (*command the following spirits associated with the bastard curse to leave, and speak out only the statements that apply to you.*)
