

PRAYER FOR FINDING A NEW HOME

Dear God,

I come to you in the name of Jesus asking you for a new home. Lord, You ordain the places where we should live. Regardless of my past experiences, *I am willing* for this to be a smooth and joyful experience in every way. Please decide for me where it should be, what it should look like and how the details should unfold. Thank You for providing all of the resources, guidance, supplies, perfect timing and helpful people to ensure that I find the happiest possible place to live. I trust You and acknowledge that Your will for me is for complete and total happiness. I will know when I have found the right place to live because I will feel peaceful on every level. Thank You in advance for an amazing home, neighbors and community that are far beyond my greatest expectations. I receive the richness of Your blessings and anticipate a joyful outcome in all respects. Thy will be done. In Jesus' name, Amen.
