

PRAYER FOR HEALING FROM ALZHEIMER'S DISEASE

Healing Promise: "Behold, I will bring it health and healing; I will heal them and reveal to them the abundance of peace and truth" (Jeremiah 33:6, NKJV)

Healing Prayer: Dear God, the diagnosis of Alzheimer's disease has greatly disturbed me and the members of my family. Therefore, I come to you now in order to claim your wonderful promise to bring health and healing to me. Father, heal me and reveal to me and my family the abundance of your truth and peace. I believe that your eyes are over me and your ears are open to my prayers. Thank you for this promise from your Word.

As I rest in you, Lord God, and wait patiently for you, I will not fret, because I know you are at work in my life. You are my refuge in times of trouble. Praise your mighty name. As I commit my works to you, I know you will establish my thoughts. Father, I know you will help me. Therefore, I will not let this diagnosis confound me. Instead, I will set my face like a flint, fully realizing that you will not allow me to be ashamed.

I ask you to let your peace—a peace that surpasses all understanding—keep my heart and my mind (including my memory) through Christ Jesus. I will not be afraid, because I know you have not given me a spirit of fear, but of love, of power, and of a sound mind. Keep my mind sound, dear Father.

Lord God, you are my confidence. I trust you to deliver me from this affliction. Thank you for healing me and for giving me your peace. Truly it does keep my heart from being troubled or afraid.

How I praise you for your wonderful love in my life. Fill me with the Holy Spirit, Father, so that His quickening power will sustain me. In the name of Jesus Christ I come against the enemy's attempts to bring destruction and disorientation, and I claim your promise of abundant life. Thank you Father, for healing me. In Jesus; matchless name I pray, Amen.
