

PRAYER FOR HEALING FROM BACK PROBLEMS

Healing Prayer: Father God, you have created my body, and you know what has happened to my back to cause the pain and discomfort I've been experiencing. Because this true, I want you to know that I am placing my full trust in you. As I acknowledge you, I know you will direct my paths. Therefore, I will always reverence you and depart from all forms of evil. Thank you for your promise to reward me with health and strength. I claim your promise now as I ask you to heal my back problems.

Have mercy on me, O God. Heal me, for I know that pain is not your will for me. I will praise you with my whole heart, for your loving kindness and your truth are keeping me. As I cry out to you I know you are hearing me, and you are making me bold with strength in my soul as well as my body. Praise you, Father.

Thank you, God, for perfecting that which concerns me. I know my back troubles concern you as well. Your mercy endures forever, Father, and I ask you not to forsake the work of your hands - my body. Look upon my affliction and pain, and forgive me of all my sins.

My faith does not stand in the wisdom of men, dear God, but in your mighty power to heal me totally and completely. Therefore, with your help, I will walk by faith and live by faith. I believe in you, Father, and I thank you that you are rewarding me with healing of whatever is causing the pains in my back. I give you all the glory for your healing power.

From this time forward I will seek first your kingdom and your righteousness, realizing that, as I do so, you will take care of me and meet my needs. How I praise you, Father, for your promise to supply all my needs according to your riches in glory through Christ Jesus, including the need for healing. I claim that promise for my life both now and for the future.

Father, thank you for the promise of Jesus who clearly contrasted the difference between your goals for my life and those of Satan. Whereas Satan wants me to suffer, you want me to experience your wonderful abundance.

I now cast all my cares upon you, Father, and I resist the devil and all his attacks against me. I receive the abundant life you've promised to me, a life free from pain, as I close this prayer with deep gratitude for all you've done for me. In the precious name of Jesus I pray, Amen.
