

PRAYER FOR HEALING FROM DIABETES

Healing Promise: "For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of the soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart" (Hebrews 4:12, NKJV).

Healing Prayer: Dear God, I ask you to heal me of diabetes. I know that your Word is living and powerful, so I ask you to send your Word and heal me. I will extol you, O Lord God, for you have lifted me up, and I know you will not let this illness triumph over me. I have cried out to you for healing, Father, and I believe you are healing me now, as I pray. Thank you, mighty God.

It is my earnest desire, Father, to heed your voice diligently at all times, and to do what is right in your sight. Therefore, I will give ear to your commandments and keep your statutes. In so doing, I claim your promise that no disease can come upon me and remain upon me, for you are the God who heals me. The blessed realization fills my soul with joy, dear God.

To you, O God, I lift up my soul. O my Father, I put my trust for healing in you. Let me not be ashamed, and do not let diabetes triumph over me any longer, I pray. I believe, mighty God, that no one who waits on you will be ashamed. Show me your ways, and teach me your paths. Lead me in your truth and teach me, for you are my God and you are my Healer.

Look on my affliction and my pain, and forgive me of all my sins. Keep my soul and deliver me. Let me not be ashamed, for I put my trust in You, dear Father.

Lord, God, shine your light upon my life and show me if there are things I need to know about my diet and how I care for my body that will help me to walk free of diabetes. I claim your promise that this weapon of diabetes that has been formed against my body will not prosper, for that is my heritage of righteousness of Christ.

With all my heart I believe it is not your will for me to suffer from diabetes any longer. Therefore, I ask you to rebuke the devourer for my sake. All the promises of your Word mighty God are yes and amen in Jesus Christ unto your glory, and I claim and receive your healing promises now in the wonderful name of Jesus.

Thank you for healing me, Father God, and making all the cells and organs of my body function in perfect health and balance. In Jesus' wonderful name I pray, Amen.
