

# HEART DISEASE

*A Healing Prayer to Use When You are the Victim of Heart Disease*

**Healing Promise:** *“Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost” (Romans 15:13).*

**Healing Prayer:** Father God, fill me with all the joy and peace that come from believing so that I will abound in hope through the power of the Holy Spirit. Thank you for the comfort you’ve given to me in spite of the heart disease I’ve experienced. Your Word truly does quicken me.

Father, I trust in you with all my heart, without leaning to my own understanding. In all my ways I will acknowledge you, and I ask you to direct my paths.

Thank you for my heart. I ask you to heal it and to repair any damages that it may have sustained. You are my strength, Lord God, and I know you will make me to walk in high places. Thank you, Father. As I wait upon you, I claim your healing promise to all those who wait upon you. I believe you are healing of heart disease, and I believe that I receive your healing power now, as I pray.

Father, you are so good to me. You are my stronghold in the day of trouble, and I know that you know me. I also know that you are aware of all my needs and are able to meet all of my needs through Christ Jesus. Therefore, I will not let my heart be troubled any longer. I believe in you, Father, and in your willingness to heal me.

I am glad and I rejoice in your mercy, for I know you have heard my prayer and considered my troubles. Strengthen my heart as I wait upon you, Father. You are my strength and my shield. My heart completely trusts in you. Therefore, I know you are helping and healing me. My heart greatly rejoices because you love me and you heal me, Father.

You, Lord God, are the strength of my heart. Continue to minister your strength and healing power to me. O Lord my God, I have cried unto you, and I know you are healing me, for you heal all my diseases. Thank you for your grace which is at work in my life. In Jesus’ name I pray, Amen.
