

PRAYER FOR HEALING FROM KIDNEY DISEASE

Healing Promise: *“Heal me, O Lord, and I shall be healed; save me, and I shall be saved; for thou are my praise”* (Jeremiah 17:14)

Healing Prayer: O God, thank you for your overwhelming love for me. I rejoice and bask in the fact that you care for me. Therefore, I cast my cares about kidney disease upon you.¹ I know you are both willing and able to heal me, and I ask you to deliver me from this sickness of _____ . Rebuke the devourer for my sake, dear Father.² Heal me, and I shall be completely healed, for you truly are my praise.³

I thank you for always being ready to perform your Word in my life.⁴ How powerful it is.⁵ The power of your Word imparts faith to believe your healing promises.⁶ Therefore, Father, it is with joy that I believe your Word and I reach forth and receive healing from you for my kidneys now as I pray.⁷

Thank you for showing me, through your Word, that healing is your children’s bread.⁸ It is with delight and I partake of your wonderful bread of healing as I pray, dear Father, and I thank you for providing healing for me.

To you I will cry, O Lord, my Rock. I know that you will not be silent to me. You will always hear the voice of my supplications as I cry out to you.⁹ Help me to keep my heart merry, dear Father, because I know this will do me far better than any medicine can ever do for me.¹⁰ In fact, you are my healing balm.¹¹ You are faithful, Father, and I trust you to touch my kidneys, to bring complete and total healing to the disease that has afflicted me and to make me whole.¹²

Thank you, Father, for healing me. In Jesus’ name I pray, Amen.
