

Prayer for Safety When Traveling By Plane

Father, I come boldly before Your throne of grace asking for Your hand of safety and protection as I prepare to take this flight.

Father, as I take this flight, I pray that Your angels be encamped round about this plane, keeping me and all passengers aboard this plane safe from all hurt, harm and danger.

I pray for the pilots of this plane. Help them to fly and operate this plane with knowledge, skill, wisdom, and alertness in all they do. I pray that You would also bless them to operate this plane in complete soberness and soundness in their judgment and thinking.

Father, I pray that You would keep this plane fully operational and functional. May You keep it from having any mechanical failures, breakdowns, or malfunctions. And may you bless every part of this plane to operate and perform in perfection throughout this flight.

Father, Your Word says that You make the crooked things straight and the rough areas smooth. I pray, therefore, that You would give this plane a smooth takeoff and landing. Bless this flight to also be a smooth and calm flight without turbulence.

I bind the spirit of fear from my heart and mind; for You have not given me a spirit of fear, but a spirit of power, and of love, and the sound mind of Christ. So as I fly, help me to rest with Your peace upon my heart and my mind the entire flight.

I bind every demonic spirit of Satan that would attempt to come against me on this trip. And I render every spirit of Satan to be helpless, powerless, inoperative, and ineffective to cause any accidents or problems with this flight, by the authority of the name of Jesus Christ.

Now Father, I pray this prayer over this flight and all of my connecting flights. I commit them unto You and Your care. And I commit my safety and protection unto Your hands. I am fully persuaded in Your Word that You will keep me in Your care and protection and take me to my destination in Your arms of safety. In the name of Jesus Christ, I pray, Amen!
