

For Safety When Traveling by Car

Father, I come boldly before Your throne of grace asking for Your hand of safety and protection as I prepare to drive.

Father, I pray that as drive, that Your angels would be encamped around about this car keeping me, as well as all the passengers aboard this car safe from all hurt, harm and danger.

I pray for the driver(s) of this car – that You would help them to drive and operate this car with the knowledge, skill, wisdom and alertness in all they do. I pray that You would also bless them to operate this car in complete soberness and soundness in their judgment and thinking.

Father, I pray that You would keep this car fully operational and functional. May You keep it from having any mechanical failures, breakdowns or malfunctions. And may You bless every part of this car to operate and perform in perfection throughout this drive.

Father, Your Word says that You make the crooked things straight and the rough areas smooth. I pray therefore, that You bless our travel to be a smooth and calm drive without accident.

I bind the spirit of fear from my heart and mind; for You have not given me a spirit of fear, but a spirit of power, and of love, and the sound mind of Christ. So, as I help, help me to rest with Your peace upon my heart and my mind the entire drive.

I bind every demonic spirit of satan that would attempt to come against me on this trip. And I render every spirit of satan to be helpless, powerless, inoperative and ineffective to cause any accidents or problems with this car, by the authority of the name of Jesus Christ.

Now Father, I pray this prayer over this car and all other cars on the highways. I commit them unto You and Your care. And, I commit my safety and protection unto Your hands. For I am fully persuaded in Your Word that You shall keep me in Your care and protection, and take me to my destination in Your arms of safety. In the name of Jesus Christ, I pray, AMEN!
