

PROTECTION for the BODY OF CHRIST

Dear Father, I thank You that we are not appointed to wrath and that we have nothing to fear, because You are with us. I lift up the issue of terrorism, both at home and abroad, and I pray in Jesus' name that Your great ability to save, protect and deliver would come to light in the body of Christ and the world.

Father, I remember the great deliverance You afforded Moses and the children of Israel so they could escape from the Egyptians unharmed. I know that because You did that for the seed of Abraham under an older and lesser covenant, You will certainly do that and more for Your children under this new and better covenant.

I choose life and deliverance in the name of Jesus Christ. I thank You for the angels who have charge over my life, who protect me and keep me in all my endeavors.
